Cool

How do you choose your color? This great Owl shows colors on the opposite side of the color wheel on the warm side

Cow by Alisa

Tooli-Art Acrylic Paint Pens are so easy to layer up with color - Remember at the end to re-outline your image

Butterfly by Alisa

Add any color you like to Black & White pens to create this beautiful Butterfly

 Tooli-Art pens layer up really well if left to dry completely in between layers

Hibiscus by Fran

Color in areas with the medium tip pens adding fine line highlights with the extra fine tips

Earth Tones

by Fran

Try a pastel pencil to draw your image on the rock, it dusts off if you need to correct the image

Layer Colors

Cactus by Fran

Nature comes in more than one shade - Try colors that sit beside each other on the color wheel

Create depth with your black pen - then highlight with the white pen

Color tree in a
dark color like
Spruce Green

Add a light color in
the middle, try
Chartreuse

Stroke in a deep
wine red for tinsel ,
as you decorate the
tree - you can then
highlight this in silver
& scarlet red

PAINTING ROCKS FOR CHARITY

www.rockpaintingworkshops.com

We would love to extend to you an invitation to an exciting new Rock Project .

This project is an 'Online course' about Rock Painting and it is like no other – This is first and most amazing Rock Painting Course ! Not only will you be guided through the process of creating Kindness Rocks but all the proceeds raised will be used to support at risk Woman and children in Nepal – you can read about the great organisation that we support here – www.kriayt.com

What is this course all about? An online Rock Painting Course with 55 Videos, 13 E-Books – and a dedicated forum for questions and answers with a dedicated teacher to help you, all for only \$15. But read on and let me tell you more about what this is all about and how it works ...And more importantly how you can contribute to at risk woman and children.

The Rock Painting Course will be presented via video format in two styles – Interview and Tutorials via closeup views of my creating desk. The videos are all high quality and cover everything you need to know about painting Kindness Rocks. We cover step by step process as well as the best supplies and how to use them (We also troubleshoot many common problems) There are 53 videos and a wide variety of topics – the course is suitable for beginners and experienced Rock Painters. There is something for everyone.

WHY BUY THIS COURSE

Well first things first – it has AMAZING content and it will be a fantastic resource for your Rock Painting Sessions. Anne has spent many hours putting all of this content together and I know that any other online course offering this amount of content is worth \$100's. All you have to pay to access this amazing content is \$15. This \$15 is donated and a valuable amount of money for at risk women and children and when you pay this you are making a huge impact. This is how we ALL get involved – I am offering this course for sale and when you buy it for \$15 – 100% of this money will go towards the women.
